Fall 2013 Trailblazing Topics in Gerontology Events

Trailblazing Topics in Gerontology Series

We had an exciting line up of noontime trainings on "Trailblazing Topics in Gerontology." These sessions, in part, provide opportunities for Nursing doctoral and masters students to present on a topic of interest and expertise and receive feedback on their teaching. Learners provide evaluative feedback to student presenters as a way for him or her to learn and grow as a leader in Gerontology and Geriatrics.
