Community:

San Francisco community organizations are leaders in elder care, and may provide sites for observation, practice, or research.

- **On Lok's** Program for All-Inclusive Care for the Elderly (PACE) began in Chinatown and is now offered in other areas of San Francisco and at other centers across the U.S - <http://www.onlok.org> [12]
- **Laguna Honda**, a city- and county-owned long-term care facility that serves 1200 residents - <http://laguna.org> [13]
- The **Institute on Aging** provides innovative senior care and support services, as well as research programs and professional resources on aging - <http://ioaging.org> [14]
